Assurance	√	Information	√
Summary/Key Points:			
<p>Work has been carried out over the last three years, originally with the LHAC blueprint, based on discussion/engagement with the public, staff and stakeholders. This vision statement has been shared with NHS and care organisations in Lincolnshire and pulls together the themes that have emerged during this period. This vision will provide the framework from which the Trust and Lincolnshire strategic and operational planning will build.</p>			
Recommendations:			
The Trust Board is asked to note the vision statement as part of the Lincolnshire Health and Care/Sustainability and Transformation Plan update.
