VOLUNTEER ROLE DESCRIPTION

<p>COVID-19 Guidance</p>	<ul style="list-style-type: none"> • All roles should be risk assessed and mitigations put in place to minimise risks. • The latest Government advice should be taken into account particularly for groups of people considered clinically vulnerable (link here). • Volunteers advised to shield or who are self-isolating should be supported to stay at home and can volunteer remotely if appropriate/possible. • All volunteers must be made aware of the need to stop volunteering should they feel unwell and to follow the latest government and NHS advice for the public especially regarding COVID-19 symptoms. • Training, guidance and induction to be provided via e-learning or virtual technology where possible • To reduce risk of transmission, Meet and Greet volunteers shouldn't enter wards or clinical areas where at all possible – if escorting patients, handover to staff on wards/clinical areas at the entrance to relevant ward/department • The role is not based in a clinical area in direct contact with patients, but patients will pass through the public area of the building to get in/out of the wards. Social distancing and good hand hygiene should be adhered to. If general social distancing measures can't be implemented then use of PPE should be assessed • If required, volunteers must be provided with the required levels of PPE in line with staff provision and following PHE guidance • If required, volunteers must be trained in the usage, donning, doffing, and disposal of PPE in line with PHE guidance
--------------------------	---

Where roles involve volunteers having direct patient contact/volunteering in COVID-19 positive environments then the trust is responsible for provision of PPE that is commensurate with the tasks they are being asked to do, in line with the national guidance on PPE requirements.
