COVID-19 Response - NHS Key Worker Validation

TO WHOM IT MAY CONCERN

This letter is to confirm that the person is an NHS employee and as such, they are defined as a critical “Key Worker”.

This letter should only be accepted in combination with a valid photo security pass, including MD10D and MD10C Government security passes.

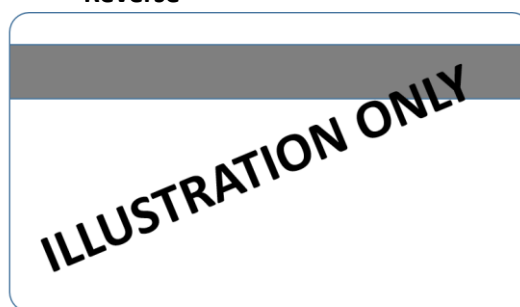

All badges carry photographic evidence of the individual staff member and should therefore be used to provide verification of their identity.

An example is shown below:

Front

Reverse

In the event of query, please contact the individual employer for further details.

This letter is valid up until midnight on 28th February 2021
