

Staff Car Parking (Lincoln)

The Trust has arranged for colleagues registered for staff car parking to be able to use the car park next to Lincoln Prison for free until January 2022.

At peak times some colleagues struggle to find staff car parking spaces. This is due to the demands on staff parking and also the developments that are taking place on the sites. If there are no on-site staff spaces available, staff are required to use this facility before parking in patient and visitor car parks.
